

REASONS FOR STUDYING JAPANESE (Reference)

※As reasons to learn Japanese, you need to write the following things:.....

1. Why do you want to learn in Japan, not in your native country?.....

2. After graduation from Japanese language school, what do you want to do? (continue studying, go back to native country, job hunting, etc).....

..... If continue studying, what subject will you take?.....

..... If returning, how will you use your ability of Japanese language?.....

..... If you want to work in Japan, what kind of job you will aim for?.....

※It is imperative to be consistent in all of sections of the application.
